

RECOMMENDED ADA INSTALLATION FOR PUROS WASHBASINS

- extension of the PURO countertop washbasin by a model without tap deck
- contrasts conventional washbasins with a stylish bowl aesthetic
- individual positioning of the washbasin on the countertop allows perfect combination with a free-standing or wall-mounted tap
- made of KALDEWEI steel enamel
- designed by Anke Salomon

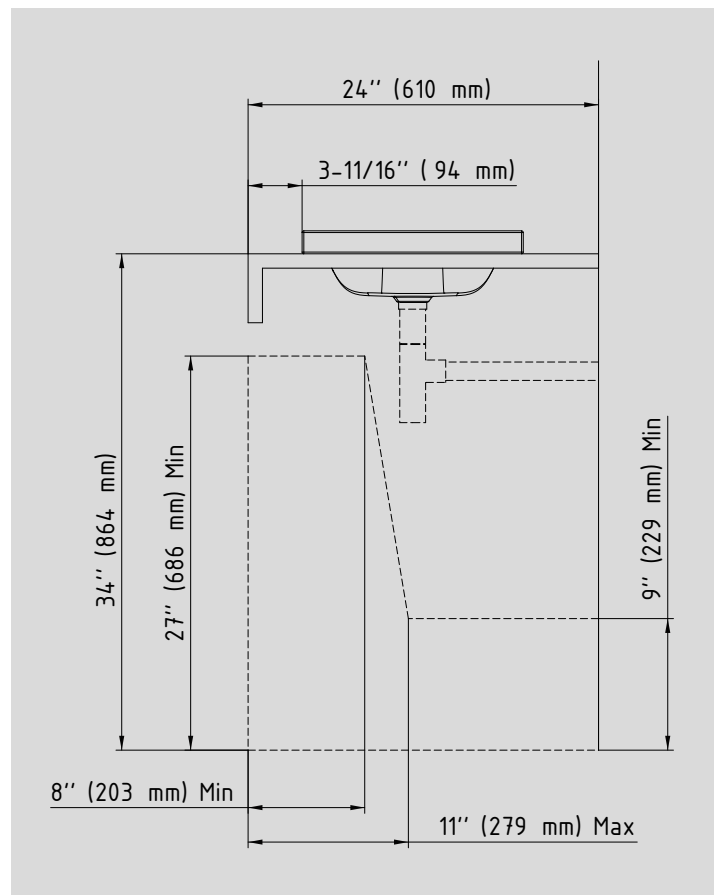

countertop washbasin:

3173-9a

3174-9a

3175-9a

3176-9a

Models meet ADA guidelines when installed according to recommended ADA installation.
