NEXSYS

CHANNEL MEETS SHOWER SURFACE

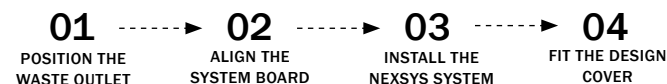

Four simple installation steps to a floor-level shower surface in channel design.

Combine our pre-assembled NEXSYS shower surface with the new SBN system board including sound insulation.

EASY

Factory pre-assembled system consisting of enamelled shower surface, sealing system, sloping support element and waste channel.

FAST

SECURE

All-round, ultra thin and flexible sealing tape fitted directly to the NEXSYS system.

QUIET

NEXSYS meets the stringent sound insulation requirements of DIN 4109, SIA 181, ÖNORM B8115-2 and SST III of VDI 4100 *.

*For detailed results, see test report P-BA 8/2020

THE SBN SYSTEM BOARD – LIKE SECOND FLOORING

YOUR ADVANTAGES

- Convenient alignment thanks to level surface
- Fast alignment of the height-adjustable feet from aboven
- Seamless surface ensures easy installation of the shower surface
- Robust material ideal for point loads and prevents silicone cracks and tears
- Height-adjustable feet with integrated sound insulation
