KALDEWEI INTERNATIONAL

Worldwide partner for iconic bathroom solutions made of KALDEWEI steel enamel

As a leading international manufacturer of high-quality shower surfaces, bathtubs and washbasins made of superior steel enamel, KALDEWEI is represented in more than 80 countries including 12 subsidiaries in Austria, China, Czech Republic, France, Italy, Poland, Russia, Spain, Southeast Asia, Spain, the UK and the USA. Project decision-makers and private builders throughout the world appreciate the many advantages offered by superior KALDEWEI steel enamel which is used in numerous top-class hotels. International sales account for over 50 % of total turnover.

PRODUCTION

100% "Made in Germany"

All of KALDEWEI's bathroom solutions – shower surfaces, washbasins and bathtubs – are made of a single material and to the same exactly high standard. Production, from mixing the enamel and steel forming through to the finishing with KALDEWEI enamel, the fully integrated process is undertaken exclusively at the KALDEWEI headquarters in the Westphalian town of Ahlen in Germany. From here, the premium manufacturer exports its iconic bathroom solutions "Made in Germany" distributed throughout the world.

KALDEWEI MATERIAL EXPERTISE	<p>KALDEWEI steel enamel: superior material for premium bathroom solutions</p> <p>Used for centuries, steel and glass are two entirely authentic and natural materials, each with its own unique properties. Steel signifies strength, toughness, robustness and optimum ductility. Glass is highly resistant to chemical or thermal stress and has an excellent appearance. KALDEWEI steel enamel combines robust steel and tough glass to form an inseparable bond harnessing the strengths of each material in perfect symbiosis. KALDEWEI is the only bathroom manufacturer who has developed its own enamel formulation and produce the enamel in its own furnaces. KALDEWEI has steadily advanced, refined and optimised the special formula and its manufacturing process. Bathroom designers all around the world trust in the superior properties of this material.</p>
KALDEWEI DESIGN EXPERTISE	<p>More than 150 design awards worldwide</p> <p>With more than 150 design awards (incl. Red Dot design award, Plus X Award, Iconic Awards, Interior Innovation Award, iF Product Design Award), KALDEWEI is one of the most acclaimed bathroom manufacturers in the world. In addition to design development at the KALDEWEI Design Center, KALDEWEI chooses to work with renowned design firms such as Sottsass Associati, Phoenix Design, Studio Aisslinger and designers Arik Levy and Anke Salomon.</p>
KALDEWEI SUSTAINABILITY	<p>Consistent implementation of material philosophy</p> <p>Committed to environmentally friendly practices and procedures in manufacture, packaging, transport and disposal, KALDEWEI was the first bathroom manufacturer to be certified sustainable to ISO 14025 by the German Institute of Building and the Environment (Institut Bauen und Umwelt e.V.). All KALDEWEI products made of KALDEWEI steel enamel are produced from pure, natural resources and can be fully recycled at the end of their lives. KALDEWEI is a member of the U.S. Green Building Council LEED and its KALDEWEI steel enamel was recognised for its sustainability with the Green Good Design Award in 2017. In 2018, the company launched its partnership with WWF the Worldwide Fund for Nature. KALDEWEI is supporting the WWF's ocean conservation programme that aims to reduce plastic waste in oceans.</p>

KALDEWEI QUALITY PROMISE**30-year guarantee**

KALDEWEI shower surfaces, washbasins and bathtubs are firm favourites today not only in many homes but also for international projects, such as upmarket hotels. The superior material properties of KALDEWEI steel enamel are expressed in the quality promise of a 30-year guarantee.*

KALDEWEI – THE BRAND**Consistent brand management**

The successful development of the company is inextricably linked with the KALDEWEI brand. From the outset, KALDEWEI understood the values of customer-orientation, consistent brand management and distinctive communication, and has invariably stood by them over the decades. Built on an integrated brand strategy, the brand rests on strong pillars, is uniquely positioned and distinct, and has been strategically advanced to become a prestigious premium brand. KALDEWEI sets standards for unique and effective communication and customer-focused sales strategies. Today, KALDEWEI is also forging new paths in digital space, taking full advantage of the possibilities offered by mobile and digital communication. KALDEWEI's brand management has been recognised with a gold German Brand Award, with the company being named "Corporate Brand of the Year".
