

SHOWER ACCESSORIES

SHOWER HOSE

- The perfect system solution for installing the shower hose on the edge of the bath
- The shower hose discreetly disappears underneath the edge of the bath when not in use
- Any water drops that flow along the hose when the hand shower is in use are hygienically redirected towards the outlet valve via an additional hose; so no water flows under the edge of the tub to bath
- An integrated spring simplifies the retraction of the hand shower
- Inlet G3/8" or G1/2", outlet G1/2" for shower head, Shower hose length: 150 cm
- effective length: 70 cm
- Inclusive of special drilling charge, drawing showing location required
- **Suitable for KALDEWEI baths only**

For installation on the edge of the bath
